Wrist Measurement Guide

HOW TO PRINT

Use a ruler to ensure that this printout tape measures 11 inches exactly
Make sure to set the printing settings as the following:
Set page size to A4 (21X29.7cm)
Print this page in portrait orientation
Set Page Scaling to None

HOW TO MEASURE

- Wrap the tape around your wrist bone so that it contacts your skin all the way around.
- Accurate wrist measurement is needed.
- Mark where the two ends of the tape touch.
- Write this measurement down and use it for your online orders.
